Welcome Nursery!

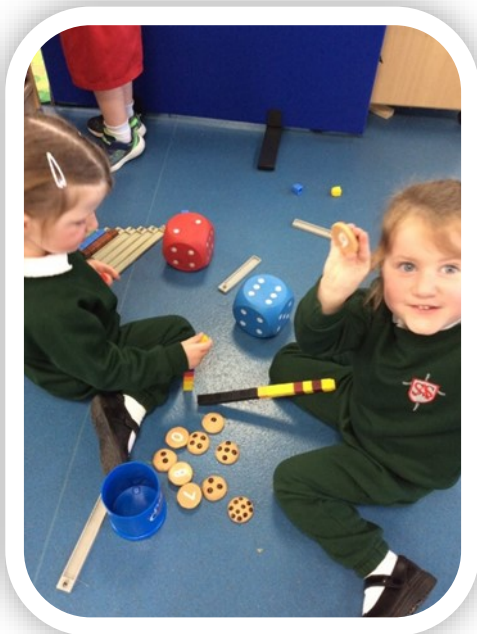

Friday 25th September 2020

Nursery

Over the past three weeks we have been welcoming new children to our Nursery. They have settled in extremely well and have started to become familiar with the new routines and learning environment.

The children have been exploring both inside and outside of the Nursery classroom. There have been lots of loud “Rawrrrrs” from the dinosaurs in the small world area, delicious food served up in the café and lots of mucky hands in the mud kitchen with some interesting mud recipes!

Well done Nursery, we are super proud of how well you are doing!

Virtual Welcome Meetings

Please be reminded of the Virtual Welcome Meetings that will commence next week. A link will be sent prior to the meeting via School Comms, please check your emails. If you are unable to join the meeting, the Power Point will be uploaded to the year group pages on the school website.

Year	Virtual Meet the Teacher	Teachers	Start time
Year 5	Monday 28 th September	Mrs Smith/Mrs Duffey Ms Mannering	4.30pm
Year 6	Tuesday 29 th September	Mr Jewels Mrs Barras	4.30pm

Parent Consultations

Please be reminded, school will be closed on Wednesday 21st October all day to hold parent consultations. This will enable us to meet face to face with parents safely to discuss your child's progress. Further details will follow.

Bike to School Week is a week-long event across the UK to showcase the many benefits of cycling to school.

Next week is Bike to School week and we are encouraging as many pupils and families as possible to cycle to school.

We are celebrating cycling and would like pupils to be inspired to cycle, scoot or walk to school and consider the positive impact active travel has to our health and environment.

Thank you.
Mrs Bowen
PE Teacher

School Photographer

The school photographer will be on both the upper and lower site on

Wednesday 30th September.

Please could the children wear
winter uniform

Thank you to all the parents or carers that have ensured there is only one adult dropping off and collecting each child/family. Please show consideration for other parents and carers at these times by maintaining a safe distance from each other. Where this is not possible, we suggest that you may wish to wear a face covering of some sort. This is not currently a mandatory requirement and it is not possible for the school to enforce this. Please also bear in mind that some adults are unable to wear face coverings due to a range of medical conditions, which may not be apparent.

Please ensure that you leave as soon as you have dropped off or collected your child. This helps with social distancing and also helps with car congestion.

There are some cars being left outside of the school grounds over the morning. Please can we ask that you move your car as soon as you drop your children off. This will enable other parents to use this space when they drop their children to school.

We appreciate that for many parents this is an anxious time but we ask for your patience and your trust that the school is working hard to do the very best we can to keep our pupils, staff and parents safe, in challenging times.

Thank you for your continued support.

Places available
