

Year 5 Home Learning – Autumn 1st Half Term 2020

We hope you all had a lovely summer are ready for work this Autumn term. As you will see we have an exciting term lined up for the children!

Weekly activities

- Home learning is set on Monday and is due in on Friday.
- Each Monday, you will receive spelling lists which you should practise every night. There will be a test on Friday.
- Children should read for a minimum of 20 minutes each night and parents should sign the reading record.
- You will also receive Maths homework. This will either be set on 'My Maths' which you access online or it will be a Maths sheet.
- Don't forget to keep practising on 'Times Table Rockstars' as well.

Grid homework

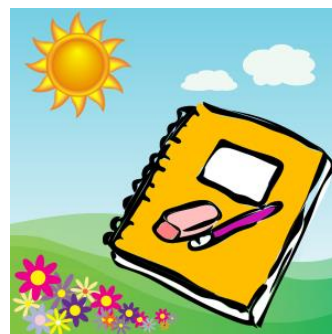

- Year 5 children should complete at least three pieces from the home learning grid including one piece of R.E. in the first half term. These can be handed in as and when they are completed. If a child wishes to do more pieces they are more than welcome to.

The tasks are all open ended, so you can present them in any way you choose, and you can extend them as much as you wish. If you choose to complete your work on a computer, please print off your work.

We expect you to choose a variety of activities. If you choose a Maths based activity one week, make sure you choose from another column the following week. You can only choose each activity once!

We look forward to seeing all your wonderful home learning. You could even gain up to 3 house points for impressive work!

Mrs Smith, Mrs Duffey and Ms Mannering

<u>English</u>	<u>Maths</u>	<u>Cross-curricular</u>
<p>Turn a myth into a cartoon or comic, for example, Theseus and the Minotaur. Use lots of speech bubbles.</p> 	<p>Choose a times table you are not confident with. Every day, practise it in a random order. Time yourself every time. Stick in each practise to show your improvement.</p>	<p>Design and make a Greek-style shield or design your own ancient Greek mythical creature.</p>
<p>If you could invite any author to visit the school, who would you choose? Write a letter to the author inviting them to our school.</p>	<p>When you go shopping, estimate how much the total bill will be. How accurate was your estimate? Write the details in your homework book. Find the difference between the estimate and the final bill.</p>	<p>Research and cook a Greek dish. Write the ingredients and method. Take a photograph of you sharing the finished dish with your family or friends.</p> 
<p>Find an interesting newspaper article, cut it out and stick it in your book. Identify Who, What, When, Where and Why and explain what you think will happen as a consequence of this article.</p> 	<p>Write 5 addition or subtraction word problems for your friends to solve. Make sure you know the answers!</p>	<p>Write a prayer for one of these reasons:</p> <ul style="list-style-type: none"> • To thank God for your talents or blessings in your life • To ask God for help and support throughout this school year • To ask God to watch over you and your family <p>Make sure it is presented beautifully!</p>
