

St Alban & Stephen Catholic Primary School & Nursery

Year 4 Home Learning

Summer 1st Half Term 2021

Weekly activities

- Home learning is set on Wednesday and is due in on Monday.
- Each Wednesday children will receive spelling lists which they should practise every night. There will be a test on Tuesday.
- Children should read for a minimum of 15 minutes each night and parents should sign the reading record.
- Children will also receive Maths homework. This will either be set on 'My Maths' which is accessed online, or it will be a Maths sheet.
- Children should also keep practising on 'Times Table Rock Stars'.

Grid homework

The homework grid activities will be set on Google Classroom. Children should submit their homework and any photos through Google Classroom, as they did during home learning. If they decide to make a poster, this can be brought into school but marking will be shown on Google Classroom.

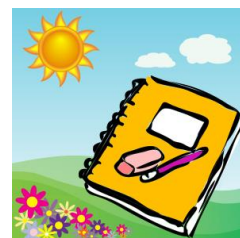

This half term, Year 4 children should complete at least three pieces from the home learning grid including one piece of R.E. These can be handed in as and when they are completed.

The tasks are all open-ended so can presented in any chosen way, and extended as much as desired.

We expect children to choose a variety of activities. If a child chooses a Maths based activity one week, they must choose from another column the following week.

We look forward to seeing all their wonderful home learning. Up to 3 house points could be gained for impressive work!

French

Write an email to a friend telling him / her where you are going on holiday. Include the day and month you are going, and how you are getting there (e.g. by plane / train). Perhaps you are visiting more than one country, and using different modes of transport. Are you going to visit a Francophone country?

Your email might begin like this:

Salut Pierre!

Ça va? Moi, ça va bien. Je vais en vacances!...
