

**St Alban & St Stephen Catholic
Primary School and Nursey**

Welcome to our Nursey!

OUR HEADTEACHER

I am Mrs Moore,
the Headteacher.

Welcome to our school community.

We are looking forward to meeting you
and your family very soon.

In the meantime, this booklet has lots of
information about our Nursery.

ARRIVING IN NURSERY

In the morning you find your locker and put your coat, bag and packed lunch inside.

Find your lolly stick, put your water bottle away in the classroom and choose an activity to play with until carpet time.

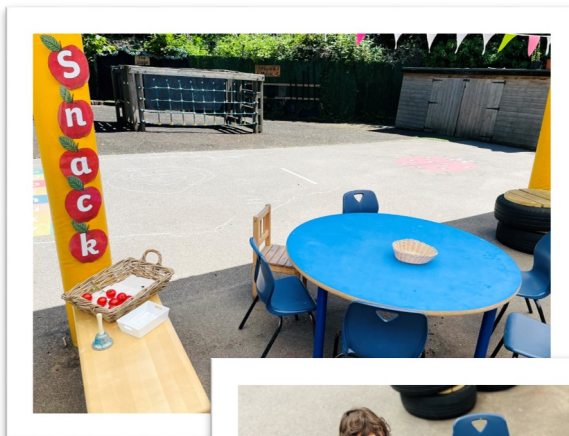

During Carpet Time we sing songs, learn Nursery Rhymes, talk about our golden rules and practice our phonics.

SNACK TIME

We have a rolling Snack Time during Child Initiated Learning.

During this time you can choose to work inside or outside.

You can have a piece of fruit and a drink of water or milk.

Look at the next few pages to see some of the other fun things you can do ...

OUTDOORS

We spend a lot of time learning and playing outside in our playground.

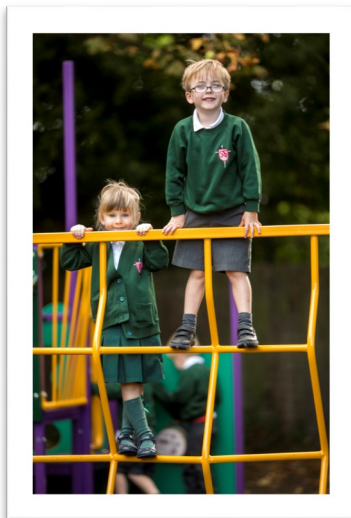

There are lots of activities to choose from ...

You can play in the sand
or water trays.
The aprons will stop
you from getting wet!

Or you can try our
outdoor toys ...

Remember to bring a
coat to school in case
of bad weather and a
hat for the summer.

We investigate

We explore

We use our senses!

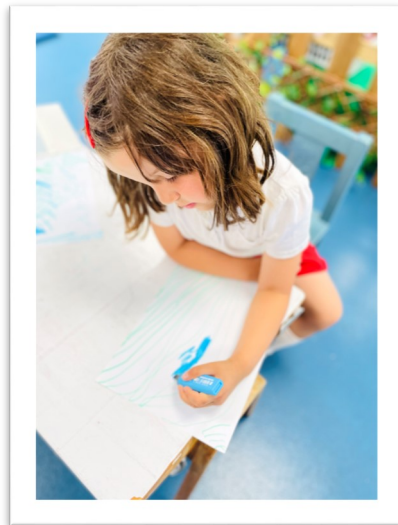

INDOORS

We have lots of different things to choose from when we are learning and playing inside. Have a look at some of the fun things we can do ...

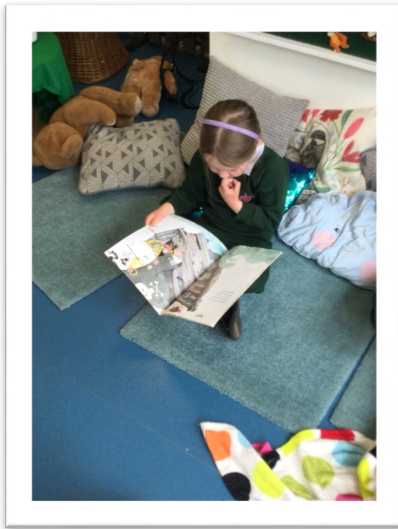

Make patterns!

Make a creation with friends!

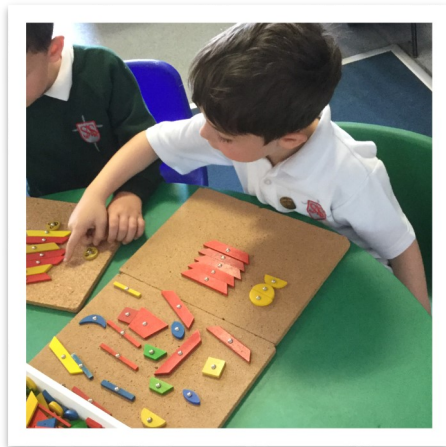

Make marks!

Come and share a story in the reading area.

Take on a role in the role play such as teacher or chefs

We make lots of things using different resources.
