

Ss Alban and Stephen Catholic Primary School

Year 5 Home Learning

Summer 2nd Half Term 2021

Weekly activities

- Home learning is set on Wednesday and is due in on Monday.
- Each Wednesday, you will receive spelling lists which you should practise every night. There will be a test on Tuesday.
- Children should read for a minimum of 20 minutes each night and parents should sign the reading record.
- You will also receive Maths homework. This will either be set on 'My Maths' which you access online or it will be a Maths sheet.
- Don't forget to keep practising on 'Times Table Rock Stars'.

Grid homework

This term we asked the children to contribute suggestions for the homework activities. They had terrific ideas and we have included some of those in the grid below. The grid activities will be set on Google Classroom. Children should submit their homework and any photos through Google Classroom, as they did during home learning. If they decide to make a poster, this can be brought into school but marking will be shown on Google Classroom.

Year 5 children should complete at least four pieces from the home learning grid including one piece of R.E. this half term. These can be handed in as and when they are completed. If a child wishes to do more pieces they are more than welcome to.

The tasks are all open-ended, so you can present them in any way you choose, and you can extend them as much as you wish.

We expect you to choose a variety of activities.

We look forward to seeing all your wonderful home learning. You could even gain up to 3 house points for impressive work!

Mrs Smith, Mrs Duffey and Ms Mannering
