Amazing Artwork from Year 6!

Friday 17th September 2021

Dear Father,

We pray our school will be filled with love

We pray our learning will be full of truth

We pray our playground will be full of joy

We pray our friendships will be full of forgiveness

We pray our teachers will be full of wisdom

We pray our community will be full of hope

May we run with your love

Build on your truth

Play with your joy

Share your forgiveness

Rest in your wisdom

Every day

Amen

Dear Parents and Carers,

It has been a delight to welcome you back into school this week for our parent meetings. I hope you found the information helpful and we look forward to meeting the Nursery, Reception and Year 5 parents next week.

We are still keeping some of the systems of control in place as we keep a careful eye on Covid rates. We have not yet had a whole school Assembly but we look forward to the time when we can all be together and parents can join us at our Celebration Assembly on Fridays.

Our attendance and time keeping has been excellent this week. So well done to everyone for getting back into a routine so quickly. Those minutes in the morning are really valuable and every class is a hive of activity from 8.45am with some fabulous learning taking place so please make sure that your child is in school promptly by 8.55am.

Your children are a credit to you- they have settled into the new school year and the new routines brilliantly. I have been so impressed with how calm and productive the classrooms are.

I hope many of you join us for the Autumn Fair tomorrow on the Lower Site from 12pm-3pm.

Have a peaceful, enjoyable weekend.

Mrs Moore

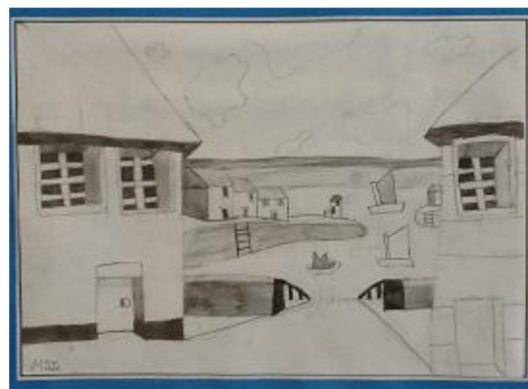

Headteacher

## Year 6's Wonderful Work

We have had a very exciting start to Year 6! The children are settling in well and are keen to take part in being apart of the various leadership roles within the school.

As we are going to the Isle of Wight in October, we have started our coastal topic by identifying various coastlines in the United Kingdom.

In Art & Design, we used perspective to create a harbour scene pencil drawing, and used shading to add depth and dimension. The children can really be proud of their drawings.

## Welcome Meetings

Please be reminded of the Welcome Meetings that will commence next week.

Year Group	Meet the Teacher date	Teachers	Start time
Year 5	Monday 20th September	Mrs Barras Mr Hegarty	9.05am
Reception	Tuesday 21st September	Mrs Caramelo Mr Miller	9.05am
Nursery	Wednesday 22nd September	Miss Campion	9.05am

## Nut Allergies

In Key Stage 2, all children are encouraged to bring in a piece of fruit or a cereal bar for break time. Please be aware, we have pupils in the school with **severe** nut allergies. Nut based products are not permitted. You **MUST** check cereal bars for ingredients. We are also trying to encourage the children to make healthy food choices and so they should refrain from bringing in crisps as snacks. Please contact the school office if you have any queries.

Have a lovely weekend everyone.

God bless.

Mrs Moore, and all the staff of SSAS.
