

Ss Alban and Stephen Catholic Primary School

Year 4 Homework – Autumn 1st Half Term 2021

We hope you all had a lovely summer and are ready for work this Autumn term. As you will see we have an exciting term lined up for the children.

Weekly activities

- Homework is set on Wednesday and is due in on Monday.
- Each Wednesday, spelling lists will be issued which should be practised every night. There will be a test on the following Tuesday.
- Children should read for a minimum of 10 minutes each night and when possible discuss this with parents/carers who should sign the reading record.
- They will also receive Maths homework. This will either be set on 'My Maths' which can be accessed online or will be a Maths sheet.
- Children are expected to use 'Times Table Rockstars' regularly to ensure that they can recall these facts instantly.

Grid homework

- Year 4 children should complete at least three pieces from the home learning grid including one piece of R.E. in the first half term. These can be submitted on Google Classroom as and when they are completed.

The activities grid will be set on Google Classroom. Children should submit their homework and any photos through Google Classroom, as they did during home learning. If they decide to make a poster, this can be brought into school but marking will be shown on Google Classroom.

The tasks are all open ended, so you can present them in any way you choose, and you can extend them as much as you wish.

We expect you to choose a variety of activities. If you choose a Maths based activity one week, make sure you choose from another subject next time. You can only choose each activity once!

We look forward to seeing all your wonderful home learning. You could even gain up to 3 house points for impressive work!

Ms Cowan and Ms Mannering

<u>English</u>	<u>Maths</u>	<u>Cross-curricular</u>
<p>Write about a day in the life of a Roman living in Verulamium. What does his/her house look like?</p> <p>You could do this either as a diary entry, a factual account or a tour guide script.</p> 	<p>Choose a times table you are not confident with and create a way to help you remember it.</p> <p>You could create a song, a game, a poem, a piece of equipment or something else of your choosing.</p>	<p>French</p> <p>Take a pack of cards. Shuffle well and place the pack face down. Turn over the top card and say the number in French. Repeat until you have turned all of the cards over.</p> <p>Remember: Joker = 0, Ace = 1, Jack, Queen, King = 10</p> <p>Did you remember all of the numbers 0-10? Revise any numbers you are unsure of.</p>
<p>Create a video telling the story of a Roman myth.</p> <p>You can make and use props and costumes and even include members of your family.</p>	<p>Find a Roman recipe. Write down the recipe with amounts required. Take photos showing you measuring the ingredients, cooking and your final dish.</p> 	<p>RE</p> <p>Create a representation of your family tree. Then create a simple family tree for Jesus. You could draw and beautifully decorate these.</p>
<p>The Eagle by Alfred, Lord Tennyson</p> <p><i>He clasps the crag with crooked hands; Close to the sun in lonely lands, Ring'd with the azure world, he stands.</i></p> <p><i>The wrinkled sea beneath him crawls; He watches from his mountain walls, And like a thunderbolt he falls.</i></p>  <p>Learn the poem by heart and then write an extra stanza of your own about the eagle. Try to use the style of the poem and interesting vocabulary.</p>	<p>Create a poster explaining how to read the time on an analogue clock (the type with hands).</p> 	<p>Science</p> <p>Create a picture of an animal using a variety of leaves. Look carefully at the shape and texture of each leaf and how they would represent your animals feature. Please take photos of your work.</p>
