

Ss Alban and Stephen Catholic Primary School

Year 3 Home Learning

Spring 1 2022

Weekly activities

- Home learning is set on Wednesday and is due in on Monday.
- Each Wednesday, you will receive spelling lists which you should practise every night. There will be a test on Tuesday.
- Children should read for a minimum of 20 minutes each night and parents should sign the reading record.
- You will also receive Maths homework. This will either be set on 'My Maths' which you access online or it will be a Maths sheet.
- Don't forget to keep practising on 'Times Table Rock Stars'.

Grid homework

This term we asked the children to contribute suggestions for the homework activities. They had terrific ideas and we have included some of those in the grid below. The grid activities will be set on Google Classroom. Children should submit their homework and any photos through Google Classroom, as they did during home learning. If they decide to make a poster, this can be brought into school but marking will be shown on Google Classroom.

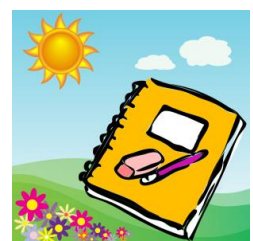

Year 3 children should complete at least three pieces from the home learning grid including one piece of R.E. this half term. These can be handed in as and when they are completed. If a child wishes to do more pieces they are more than welcome to.

The tasks are all open-ended, so you can present them in any way you choose, and you can extend them as much as you wish.

We expect you to choose a variety of activities.

We look forward to seeing all your wonderful home learning. You could even gain up to 3 house points for impressive work!

Mrs Adams and Mr Taylor

|---|---|--|
| <p>English</p> <p>Research & Note taking</p> <p>Select a topic you are interested in and find a non-fiction book about it. Can you find out at least three main pieces of information and write these down as notes. Once you have recorded your notes you could present your research in any way you like!</p> | <p>Maths</p> <p>With family members, measure the heights of everybody who lives in your home</p> | <p>Science</p> <p>Find out how many bones the human skeleton has and find out some of the scientific names for the bones of the body e.g. pelvis</p> |
| <p>English: Reading</p> <p>Learn a poem off by heart and record yourself performing it. You could add actions if you like but remember to speak clearly!</p> | <p>Maths</p> <p>Go to a supermarket and go to the fruit and vegetable aisles. Find out which countries the different types of food come from. Work out how many miles or kilometres the country is from the U.K.</p> | <p>Science</p> <p>Keep a food diary for a week. Write down what you had for breakfast, lunch and evening meal.</p> |
| <p>English</p> <p>Letter</p> <p>Write a letter to a friend or family member. Can you post it? Where did you go? If so, how much did it cost?</p> | <p>Maths</p>  <p>Make a pretend pizza from paper or playdough. Cut it into equal fractions pieces e.g. halves, quarters, thirds, fifths, eighths etc.</p> | <p>History</p> <p>Research the history of the city of Saint Albans. Make a fact file for visitors to the city. Include information and pictures.</p> |
| <p>R.E</p> <p>Re-tell the story of the Visit of the Three Kings. You could act this out; you could write it down; you could show this in a picture.</p> | <p>RE</p> <p>Read one of Jesus' parables, retell it to your family and also explain the meaning.</p> | <p>History</p> <p>Take a walk around Verulamium Park and visit the Cathedral. Can you spot any signs of the Roman town that was once here? Write or record a report on your visit.</p> |
| <p>French</p> <p>Draw and colour in at least two animals and write a sentence in French telling me about them e.g. J'ai un mouton blanc et un lion jaune. I have a white sheep and a yellow lion.</p> <p>Extra challenge: As we will be learning instruments, Can you write a sentence in French telling me what instrument you play? E.g. Je joue du piano. I play the piano.</p> | <p>PE</p> <p>Play a catching or throwing game either by yourself or with a family member e.g.</p> <ul style="list-style-type: none"> • How many times you can throw a basketball into a hoop • How many times you can catch and throw a ball with someone. • How many times can throw and catch a ball by yourself. | <p>Art</p> <p>Textiles</p> <p>Exploring stitches - cross-stitch. Can you learn a new skill? Show off your creative skills by learning how to cross stitch and making a small pattern or a simple picture.</p> |
