Additional information

- Show and tell is done on a Wednesday morning after registration. Children are allowed to bring in an item from home to show the class as a point of conversation. This item can be a toy, providing the child has something that they want to tell everyone about relating to the toy.
- The letter of the week focus is to ensure that all of the children can identify the letter, knows the name of the letter and can begin to write the letter using a sheet that I will be sending home every Friday. (this is optional but very beneficial)
