

Ss Alban and Stephen Catholic Primary School

Year 2 Home Learning - Autumn Term 2023

Weekly activities

- Children should read for a minimum of 10 minutes each night and parents should sign the reading record.
- Weekly maths Home Learning is set on Wednesday and is due in on Monday. This will be set on 'My Maths' which you access online or from time to time it may be a maths sheet.
- Each Wednesday, spelling practise will be added to Google Classroom for you to practise with your child.

Grid Home Learning

Children from Year 1 and 2 should complete at least 2 pieces from the grid Home Learning in the half term, plus 1 RE piece. The grid will be uploaded to Google Classroom and children should submit their work via Google Classroom as and when they complete a task. If a child wishes to do more pieces they are more than welcome to.

The tasks are all open ended, so you can present them in any way you choose, and you can extend them as much as you wish. Work which cannot be uploaded can be brought into school to share with the class (e.g. Art activities).

We expect you to choose a variety of activities.

We look forward to seeing all your wonderful Home Learning this term. You could even gain up to 3 house points for impressive work!

Miss Champion and Miss Calatrava

Grid Home Learning - Autumn 1<sup>st</sup> Half Term

# Our topic: London!

## Year 2 Home Learning - Autumn 1 2023

<u>English</u>	<u>Maths</u>	<u>RE</u>
