

St Alban & St Stephen Catholic Primary School & Nursery

Learning and growing with God by our side Faith, Friendship, Determination, Respect & Unity

	ELEMENTS OF HISTORY/GEOGRAPHY							
Subject	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2		
Nursery (UW)	To make discoveries about the differences they notice between people, whilst also drawing their attention to similarities between different families and communities. Black History: Festival of Identity. Where are my Grandparents from? https://www.bbc.co.uk/iplayer/episode/m001crtf/ioio-gran-gran-specials-its-time-to-go-on-a-voyage	To appreciate that a range of festivals and celebrations take place that may be outside of their own experiences and how they are celebrated.	To learn where the North and South Poles are and some of the animals that live there. Make simple comparisons between their own environment and the arctic regions.	To develop geographical awareness by exploring maps of our school and local areas (i.e. Clarence Park) Create their own simple maps (based on imagination or a real place i.e. school).	To further develop geographical map work skills by exploring journeys made by fairy-tale characters. Earth Day Important issues we face in our world today.	To explore the seaside and share places they have visited in the past. Learn the features of the seaside and what they might find there. Create simple treasure maps.		
Reception (UW)	Use their knowledge of their personal history and understanding of themselves to make further comparisons. Black History:	Develop a deeper knowledge of events from around the world and the reasons why they take place or are celebrated.	Make comparisons between hot and cold locations and discover how animals adapt to these climates.		To further develop geographical map work skills by exploring journeys	To learn about the impact of pollution on the environment with

Year 2	London today Big Question: Why is London an important city? (Eco-theme: Respect for God's Creation) Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas. London- where it is, how we get there, key geographical features and landmarks. What is air pollution and why is it an issue in London? How could air pollution be reduced in the city? Further study: Learn more about the capital cities of other UK countries. Black History: Mary Seacole https://www.bbc.co.uk/teach /school-radio/articles/zbphxy c	London in the past: The Great Fire and Gunpowder Plot Big Question: Why and how do we remember these events? Significant historical events beyond living memory Great Fire of London 1666- cause, effect, Samuel Pepys Gunpowder Plot – Guy Fawkes, November 5th. Changes in London since these events. Further study: Famous people linked to London-Florence Nightingale, Elizabeth Tudor	The World and Me: Asia (Hong Kong) Big Question: How is Hong Kong different to the place that I live? Name and locate the world's seven continents. Study human and physical geography of a small area in a contrasting non-European country (St Albans/ London & Hong Kong) Where is London? Where is Hong Kong? What is a continent? What are the continents of the world? How would you travel from London to Hong Kong? What is Hong Kong like? https://www.rgs.org/scho ols/ teaching-resources/hong- kong-a-city-in-asia-by-the- sea/ Further study: What are other main countries in Asia?	Homes Through Time Big Question: Why don't people live in castles anymore? Significant historical places in the locality. Changes within and beyond living memory. Homes in the past- which houses in our area are modern? How do we know? What did homes look like 500 years ago? 1000 years ago? Castles- why were they built and how did they develop over time? What was life like in castles? (Motte and Bailey Castles.) Homes in the future-why don't we live in castles any more? How can we make our homes in the future more 'eco' to protect the environment? Further study: Homes around the world	Oceans Big Question: Why do we need to protect our oceans? (Eco-theme: Respect for God's Creation) Environmental geographythe world's oceans. What is an ocean? Where are the world's oceans and why are they important? How is the ocean different at the North Pole and the Equator? Why are the oceans under threat and how can we protect them? Further study: Great sea explorers: Christopher Columbus Ibn Battuta	Local history of our school: The Orchid King of St Albans Big question: What happened here in the past and how do we know? Significant historical places and people in the locality What was this area like in the past? Who was Frederick Sanders, and why was he known as the orchid king? How can we find clues to the past? Why and where did Frederick Sanders send out explorers? What might Camp House have been like? Further study: Other famous residents of St Albans- and Inspirational Leaders: Eleanor Ormerod, Samuel Ryder TBC GEOGRAPHY FIELDWORK- map of the Alban Way?
Year 3	Stone Age Britain Big Question: Who first lived in Britain and how do we know? Changes in Britain from Stone Age to Iron age. Neolithic hunter- gatherers early farmers — Scara Brae	Volcanoes and Earthquakes Big Question: Can we control the Earth? Physical Geography & locational knowledge. What causes Earthquakes -tectonic plates, Earthquake 'zones' . What is a	Ancient Egypt Big Question: How do we know so much about Ancient Egypt? The achievement of the Ancient Egyptians — Context of Ancient Egypt — early civilization. River Nile, Pyramids, Valley of the Kings. Gods &	Mountains in the UK Big Question: Why are mountains important? Physical Geography & key topographical features of the UK. Place knowledge Physical and man-made landscape of the UK –	Time travellers through history Big Question: What would life have been like for the children of St Albans at different times in history, including in Victorian times? Changes in an aspect of social history: childhood. Local history.	Changing St Albans Big Question: What are the environmental problems in St Albans and what can I do about them? Changing land use patterns, human geography including land use. Fieldwork

	Black History Month: Septimus Severus and black Roman soldiers. KSH: Q1			(Eco-theme: What environmental issues do these countries face?)		
Year 5	Ancient Greece Big question: What did the Ancient Greeks do for us? Ancient Greek life and achievements and their influence on the Western world. Who were the Ancient Greeks and why do we study them? Three main periods -Archaic, Classical, Hellenistic. What role did women play?Difference between Athens and Sparta. Define the terms. What can we learn from the Ancient Greeks from a study of their Olympics? What did the Ancient Greeks teach us about theatre? Greek warfare, beliefs, mythology, daily life, democracy Ancient Olympics, Marathon What impact has Ancient Greece had on us today?	Europe Big question: What does it mean to be European? (Eco-theme:Respect for God's Creation- environmental issues that different European countries face) Locational knowledge, geographical similarities/differences Place knowledge What is a continent? Locating countries, key cities, key topographical features (longest river/ mountain ranges/ surrounding seas/ oceans What unites the countries of Europe? Physical geography, EU. Child-led research and study of chosen European country leading to class presentation. What is unique about your chosen country? What makes it European? Time zones - longitude	Desert lands – hot and cold Big question: Are deserts natural or made by humans? (Eco-theme:Respect for God's Creation-climate change and desertification) Physical geography, mapping, locational knowledge What deserts are and where in the world and why – location using a world map or atlas – Hot and Cold Deserts Weather & climate of deserts. Sahara, Gobi, Why is there an increase in desertification? Climate change. CAFOD (impact on people's lives)	Vikings Big Question: Were the Vikings really the Vicious Vikings? The Viking and Anglo-Saxon struggle for the kingdom of England Who were the Vikings? -Where they come from and why. As invaders, explorers, traders. Family Viking life as settlers. Viking place names — Danelaw Alfred the Great -Gods & myths	The River Thames Big Question: Why are rivers 'the arteries of our planet'? (Eco-theme:Respect for God's Creation- how has the River Thames been cleaned up? Why are many rivers so polluted?) Key aspects of physical geography: rivers. Human geography- settlement and land-use. Key topographical features of the UK. The River Thames. Mapping the river, the course of the river. Settlement around the river. Development of the river and human use. Environmental changes to the Thames and benefits. FIELDWORK RIVER VER	The Tudors Big Question: What made Elizabeth a great Queen? A study of an aspect or theme in British History beyond 1066 Who was Queen Elizabeth? Why was her journey to the throne not an easy one? She lived alone in Hatfield House where she was told she was Queen, mother was beheaded. Who did she defeat during her reign? What great leaders did she meet? Grace O'Malley, the Irish "pirate" queen. Elizabeth had a tolerant approach to religion unlike her father. Why did the Tudor dynasty end with Elizabeth I? (She chose not to marry,

	Black History month: What can we learn about the roles of black people in Tudor times? KSH Q2 https://www.bbc.co.uk/ programmes/p0114302				therefore did not have any children)
Year 6	The Isle of Wight Big Question: How and why are our coasts changing? (Eco-theme: Respect for God's Creation-environmental issues affecting our coasts) Understand differences and similarities through a study of human and physical geography of an area of the U.K. (Isle of Wight) Coastlines and land use e.g. holiday resorts, tourism. Describe and understand physical features of coast and human geography of coasts including land use. Use compasses, 4 and 6 figure grid references, signs and symbols on OS maps. Great Leadership — National Trust protecting our coasts. Black History Month:	The Empire of Benin Big Question: How do empires rise and fall? A non-European study contrasting with British History What is an empire and how are empires created? What empires do you know? Why should we study Benin? What sort of place was Benin 500-1000 years ago? How do we know? How and why did the Empire of Benin end? What changes took place when the European settlers started trading? Why did the Victorians get involved in Benin and what were the effects on the Benin people? Should the Benin bronzes be returned?	Extreme Earth: Extreme Issues Big Question: What is environmental activism and why does it matter? Fieldwork: observing, measuring, record, present human and physical features in the local area. (Eco-theme: Respect for God's Creation-environmental activism) https://www.changethestory.eu/uk/ Global environmental issues- mapping / environmental issues Impact of global warming on climate & weather; flood, drought. Changing weather oceans, Arctic circle, Northern and Southern Hemisphere, Poles- melting of polar ice caps, deserts, rivers, climate zones, Tropics, countries, cities. Inspirational Leaders: — Greta Thunberg, David	World War II Big Question: How do ordinary people become extraordinary heroes? WW2 Evacuation / local history focus- a study of an aspect of history that is significant in the locality. Why did World War 2 begin? What was evacuation? Why were children evacuated to St Albans? What was life like for evacuees in St Albans? How did the war affect life in St Albans? What else happened in St Albans during WW2 (secret operations work)? What was the Kindertransport and why should we remember it? When so many Black people rushed to fight in the two world wars, why then is it only recently that their sacrifice has been properly recognised? KSH KQ4 Inspirational Leaders: (courageous advocacy): • Lord Alfred Dubs • White Rose opposition movement • Ida and Louise Cook • Noor Inayat Khan	Year 6 Performance Combined skills unit:

From Windrush to "Notting Hill": what was the experience of the first post-war Black immigrants? KSH Q5		
FIELDWORK DURING RESIDENTIAL
